

Cambodia Solar Energy System Application

Overview

From the date of this notice, the application form for the installation and use of rooftop solar power systems must be completed digitally, via the single-entry portal at [https://rts. Electricity Authority of Cambodia](https://rts.eac.gov.kh). Apply for a license from the Electricity Authority of Cambodia (EAC). The following steps apply to the MME approval process only. Kamworks, founded in 2006 in Cambodia by Dutch solar engineers, is a leading solar energy company in Cambodia. Phnom Penh SEZ reduces energy costs and contributes to the environment. Phnom Penh SEZ is the leading Special Economic Zone in Cambodia and has attracted investment from leading multinationals through its prime location near Cambodia's economic centre of Phnom Penh but also thanks to its.

Cambodia Solar Energy System Application
