

Cambodia s new mobile energy storage power company

Overview

[Phnom Penh, Cambodia, June 11, 2025] Huawei Digital Power, in collaboration with Schneider Electric, has successfully commissioned Cambodia's first-ever TÜV SÜD-certified grid-forming energy storage project, marking a key milestone in the country's transition toward a sustainable energy future. [Phnom Penh, Cambodia, June 11, 2025] Huawei Digital Power, in collaboration with Schneider Electric, has successfully commissioned Cambodia's first-ever TÜV SÜD-certified grid-forming energy storage project, marking a key milestone in the country's transition toward a sustainable energy future. As a leader in digital power solutions, Huawei Digital Power has successfully commissioned what it claims is Cambodia's first grid-forming battery energy storage system (BESS) certified by TÜV SÜD. Schneider Electric has previously collaborated with Huawei Digital Power Technologies Co. The recently completed 12-MWh energy storage project includes a 2-MWh test field for validating Huawei's smart string.
