

Customized energy storage containers in Slovenia

Overview

Summary: Maribor, Slovenia, is embracing innovative energy solutions with containerized energy storage systems. These modular units offer grid stability, renewable energy integration, and cost efficiency – key drivers for businesses and municipalities aiming to reduce carbon. October 2025 - Hefei, China — GREATSUNPV proudly announced the successful shipment of a fully customized energy storage solution to a client in Slovenia, marking another solid step in the company's global expansion in the renewable energy market. The project includes one 40-foot energy storage. Nowadays, the production programme includes making of special transport and storage containers, making of containers for ecology and energy and protection systems. We have extensive manufacturing experience covering services such as battery enclosures, Energy Storage Cabine, Battery Storage Cabinet.
