

# Egypt produces solar glass stone

## Overview

---

Chinese solar glass manufacturer Xinyi Solar has announced plans to construct a new manufacturing facility in Egypt located at the Suez Canal Economic Zone (SCZONE) with an annual production capacity of 1.53 million tons of solar PV glass and 1. Waleid Gamal El-Dien, Chairman of the General Authority of the Suez Canal Economic Zone (SCZONE), witnessed this morning the foundation stone ceremony for the project of the Chinese company “CNG Egypt New Energy Glass” affiliated with “China Glass Holding”, in the Sokhna Industrial Zone, within. After JA Solar and EliTe Solar announced their manufacturing plans for the country, now Kibing Solar is reportedly planning a solar glass manufacturing factory in Egypt. (Illustrative Photo; Photo Credit: Juice Flair/Shutterstock. Waleid Gamal El-Dien, Chairman of SCZONE, Mr. 755 billion yuan (\$247 million). The industrial site is planned to have a production capacity of 1,400 tons per. The Ain Sokhna float plant in Egypt will see its capacity increased with the construction of a second flat glass production line. With its new solar farm, the site will meet part of its own needs in renewable energy and reduce its CO2 emissions.
