

Kenya brand solar container outdoor power

Overview

Power your outdoor lifestyle with Sola Sola™ portable solar panels and compact power stations. Whether you're a weekend warrior, long distance bush-crafter or simply want an independent power source while travelling in remote locations, Sola Sola gives you power anywhere, anytime. Sunstastic Solar recently introduced its new containerised solar power solution – for the Kenyan market. “What makes our containerised solar power generation units special, is our use of international engineering standards and components, while still producing local content that allows us to offer. "Browse and buy solar products with assurance and peace of mind. " "Experience helpful assistance for all your solar product needs. At SolarCity Eco Energies, we build offgrid solar systems that make your home, business, or farm completely independent — with clean, reliable power 24/7. Whether you're in Nairobi, Nakuru, Kisumu, Mombasa, or Turkana, our engineers design systems that work — rain or shine. ke has everything you need under one roof.
