

Manufacturers of lightning protection communication cabinets

Overview

We specialize in high-precision, weatherproof outdoor communication cabinets engineered for extreme conditions. At Pepro, we custom design and build shielded cabinets and enclosures for telecommunications, COW, COLT, mobile towers, mobile shelters, and 5G applications to fit your specific needs. We build the most innovative, technologically advanced shielded enclosures on the market, designed to withstand. Innovative, installer-friendly components make Harger the leading provider of lightning protection equipment. These products are also backed by the foremost lightning protection design department in the world today. Suitable for labs and research facilities, warehouses, data centers, hospitals, and schools. Combining a consultative approach and engaged support, we guide you through protecting your critical network infrastructure. ECLE has moved! Our new address is: 187 Commercial Blvd, Torrington, CT 06790
