

# Power generation container room manufacturer

## Overview

---

At MODS, we design and fabricate high-performance generator and power units built from shipping containers. At the beginning of the Tier 4 transition, our engineering team had the opportunity to work with different customers in different markets to design and develop a line of high-power Tier 4 Final containerized generators. Years of use in the rental, oil and gas, mining and other heavy-duty industries. That's exactly what modern power generation container rooms offer to industries worldwide. Whether you need a container generator unit, a fully integrated. Since its introduction in 2022, Centum™ has been the pillar of innovation for Cummins Power Generation.
