

Price quote for a 50kW photovoltaic energy storage cabinet for European base stations

Application scenarios of energy storage battery products

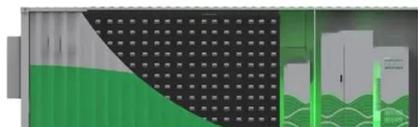

Overview

HBOWA is an experienced energy storage battery manufacturer, our energy storage systems are competitive with the factory price, and OEM and ODM services are available. You can add many battery modules according to your actual needs for customization. Mainly used for renewables integration, peak shaving, backup power etc. DC Input. 50kW/100kWh outdoor cabinet ESS solution (KAC50DP-BC100DE) is designed for small to medium size of C&I energy storage and microgrid applications. Individual pricing for large scale projects and wholesale demands is available. The battery cabinet has 2*50KWH (51. It includes battery cells, Battery Management System (BMS), photovoltaic inverters, fire protection system, distribution system, thermal management system, and energy management system.
