

Roman energy storage solar energy storage cabinet lithium battery manufacturer

Battery String-S224

- 1C Charge/Discharge
- Easy configuration and maintenance
- Power supply can be single battery string or parallel battery strings

Overview

At CooliBattery, we specialize in manufacturing and supplying high-performance LiFePO4 home energy storage systems designed for solar applications, off-grid living, and residential backup. They assure perfect energy management to continue power supply without interruption. Our core products include wall-mounted batteries, rack-mounted lithium storage, and Energy Storage Cabinet. RK New Energy is a leading professional battery energy storage system manufacturer. 40kwh battery is the low voltage storage battery with 4 battery packs, each battery pack is 10kwh, and the top layer is the 10kw solar inverter, all in one, plug and play, you can use the 40kwh battery system to supply power for your house.
