

# Solar grid-connected power generation franchise brand

## Overview

---

This strategic collaboration has positioned us as the largest and fastest-growing solar franchisor in North America with more than 80 total franchise territories in the USA and Canada, a testament to our collective strengths and dedication to renewable energy. Recent studies show that solar is breaking records and growing more than ever. Solar accounted for more than 60% of all new electric generating capacity added to the grid in 2024—more than any other energy source and the highest share in Solar's history. By harnessing the sun's power, solar panels convert sunlight into clean energy, reducing carbon emissions and. Solar Grids® has merged with Stardust Solar and is now publicly traded (SUN. \*Please contact "Solar Grids" to confirm the accuracy of any information provided on this page. CEO Life is a business networking, social and philanthropic community towards CEO's, Entrepreneurs and C Suite Leaders offering business networking and growth/education, extraordinary local and global events, ability to travel between chapters for additional networking and philanthropic efforts.
