

Solar installation fiji

Overview

List of Fijian solar panel installers - showing companies in Fiji that undertake solar panel installation, including rooftop and standalone solar systems. At Solar Fiji our competent staff install reliable solar-energy systems using top-quality components. We listen and learn from our customers at the same time as keeping right up to date with the latest training from our suppliers: Victron Energy, Hanwha Q-Cells and Narada Power - to name a few. We have delivered sophisticated solutions throughout the region for over 25 years with over 25MW of the solar infrastructure deployed. With decades of experience in the industry, our team of experienced managers, skilled engineers and technicians are committed to providing. Ready to invest in your future and our next generations?
