Five new towers now on line

In a significant step toward enhancing connectivity across the Solomon Islands, China Harbor Engineering Company (CHEC) and Huawei have successfully activated another five new ...

50KW modular power converter

Flexible Configuration

- Modular Design, Expanding as Required
- Slim/Rights, Wall Mounted
- Available in Parallel for Expansion

Powerful Function

- Support PV/ESS
- Grid Support, Equipped with SVG Technology
- On-Grid and Off-Grid Operation

Reliable Protection

- Outdoor IP65 Design
- Sufficient Protection Functions Equipped

China Harbor Engineering Company and Huawei Boosts Communication ...

Honiara, Solomon Islands - In a significant step toward enhancing connectivity across the Solomon Islands, China Harbor Engineering Company (CHEC) and Huawei have successfully ...
