

Somaliland Home Inverter Manufacturer

Overview

Renewable Energy Hub Company (Rehubco) was established in 2017 in Hargeisa Somaliland. To deliver reliable and high standard quality Solar products. We are partnered with Huawei and Tier 1 solar manufacturers in distribution of high-quality inverters and panels to Horn of Africa. These include solar components (solar panels, inverters, batteries), off-grid and grid-tie solar systems for commercial, industrial and residential applications, battery energy storage systems, energy efficient LED. We provide reliable solar energy equipment in Hargeisa, Somaliland, since 2015. We also give. Founded in 2014, Zayla has quickly emerged as a leader in Somalia's renewable energy sector. Here's how Somali manufacturers are adapting global trends: A 50-unit housing project reduced generator dependence by 80% using locally-produced 5kW. Dalsan Power is founded by CEO Eng. Bashiir Soofe, a renewable energy engineer per excellence, who graduated from both Gothenburg Institute of Engineering and Coventry University (BEng) with experience from both the British and Swedish industries that can help cultivate and build Dalsan Power to.
