

St George 50kW solar inverter sales manufacturer

Overview

Compare these 50kW commercial solar inverters from ABB, Fronius, SMA, SolarEdge, SatCon, Solectria, Schneider Electric, PV Powered, Power One, or Advanced Energy. Three Phase Inverters for Large-Scale C&I Projects Reduce time onsite with installation validation, even before grid connection. Provide more energy and system uptime with 175% DC oversizing, keep costs low with modular design and provide confidence with built-in, advanced safety features. Our. The SMA Sunny Tripower Core1 50-US is a grid-tied 50,000 watt (50 kW) AC output PV solar inverter designed for commercial rooftops, carports, ground mount and repowering legacy solar projects. Secondary Synergy units sold separately. We're currently collecting product reviews for this item. In the meantime, here are some company reviews from our past. 50kW Synergy Manager SWITCH with DC Switch, MC4, DC SPD features Easy installation - reducing system and labor costs, Independent operation of each unit enables higher availability and easy maintenance, Integrated DC safety device with separate DC disconnect switch, optional overvoltage protection. SolarEdge 3-phase inverters combine with SolarEdge power optimizers to provide superior performance at a competitive price.
