

Super long-lasting solar lights

Overview

Based on our extensive testing and real-world data, the Tuffenough Solar Security Lights lead for security applications with 2500 lumens, while the ALEPOD Solar Pathway Lights excel for landscape lighting with an 8-pack value proposition. Carbon emissions from the lifecycle of this product were measured, reduced and offset. The ClimatePartner certified product label confirms that a product meets the requirements for the five steps in climate action including calculating carbon footprints, setting reduction targets, implementing. Outdoor solar lights simplify exterior illumination, offering beautiful, functional lighting without the need for wiring. We became solar light experts, if we do say so ourselves. They also can be used for up to 50,000 hours and work in inclement weather from -4°F to 140°F (-20°C-60°C).
