

# Togo Large solar container battery Manufacturer

## Overview

---

The 25 MW Dapong solar project will include 36,000 solar panels across 52 hectares, along with 36 MWh of battery energy storage. China's TBEA International Engineering is leading the project, which is scheduled for completion within 13 months. What is a LZY mobile solar system?

LZY mobile solar systems integrate foldable, high-efficiency panels into standard shipping containers to generate electricity through rapid deployment. LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere. These systems are designed to store energy from renewable sources or the grid and release it when required.

## Togo Large solar container battery Manufacturer
