Overview

Trinity Solar offers four purchasing options for homeowners: upfront cash payment, solar loan, solar lease and Power Purchase Agreement (Solar PPA). Lower your energy costs with cutting-edge solar technology from Trinity Solar. With over 30 years of expertise and 125,000+ installations, our high-performance solar panels help reduce your monthly bills and increase property value by up to 24%*. It uses generally high-quality products and offers customers some flexible payment options. But Trinity is also somewhat limited in its reach, and its ratings. Trinity Solar has been installing solar panels on the East Coast for nearly two decades.
