

Waterproof Power Storage Cabinet for Factory Use

Overview

E-abel's NEMA 4 Electrical Enclosures are engineered for high-performance protection in demanding environments. Strong & Rugged - Stainless Steel Alloys (304 / 316L) - Cabinets Designed for Tough Environments. From NEMA/IP-rated waterproof boxes to racks, cabinets, and general-purpose housings, our enclosures are engineered for performance, easy installation, and fast shipping—helping you build. Powder coating, anodizing, and UV digital printing provide resistance to corrosion, chemicals, and abrasion while enabling clear labeling, logos, and identification without extra stickers. Ideal for industrial control. Through mature sheet metal design and process experience, coupled with computer aided design (CAD) and computer aided engineering (CAE) simulation, Machan delivers robust and versatile products. We also help customers to successfully achieve the United Nations UN38.
